**World Day of Prayer for Peace:** New Year's Day 2020 is the 53<sup>rd</sup> World Day of Prayer for Peace. In his message for this day Pope Francis reminds us that peace is a great and precious value and that praying and striving for peace is a vital journey of hope for all of humanity. He reminds us that this includes care for the world's environment in which we live. It also requires a patient and enduring commitment to seek truth and justice.
